SCHOOL**
A world of potential

A kindergarten is the beginning of a new world of learning, knowledge, discovery and friendship for your child... let it be at Muthaiga Kindergarten.

"We are a unique school that delivers an excellent international standard of education."

Teaching

A dedicated team of teachers make learning fun for the children of all ages. Our students look forward to coming to school and can relax in the knowledge that the education that they receive is of the highest standard.

Our learning through play curriculum:

- Numeracy Skills Development
- Constructive Play
- Creative Play
- Imaginative Play
- Physical Education & Motor Skills Development
- Language Development
- Computer Classes
- Social & Emotional Development
- Musical Play
- Additional Activities offered: Karate, Ballet, Skating, Monkeynastix

Learning

As part of their education we instill in our children the principles of respect, responsibilities, persistence and fairness. This creates a nurturing environment in which they can learn and develop.

These principles set the foundation for a lifetime of success and discipline wherever life takes them.

Partnership

- The school fosters an approach of academic excellence, emotional wellbeing for our students and families.
- We work in partnership with parents and the wider community.
- We are dedicated to developing enthusiasm for learning, helping each student be the best they can be.

“Established in 1981, it is one of the oldest and most established preprimary schools in Kenya.”
